Cencon 2020 2022 Appearance Change

External
June 1, 2023

iButton DS1994 will be replaced with DS1427

Effective on or after June 1 2023, Cencon Keys 2020 (Blue FLM for Gen1 and Gen2) and 2022 (Yellow Route for Gen 1 and Gen 2) will be produced using the DS1427 ibutton. In addition, the key fobs will change from metal tear drop shape to plastic tear drop shape.

This change has no impact to the function or use of the keys. The color, shape, and part numbers will not change.
