Product Notification Announcement

Q90; QuantumII™ & QuantumIII™ electronic locks

The new Saflok Quantum IV™ electronic lock offers a two-piece modular design with an RFID reader for a sleek and elegant appearance combined with superior performance. This lock accepts Mifare Plus credentials for enhanced functionality and works with dormakaba's latest Community access management software.

Innovation is at the heart of our company, while providing you with the latest smart and secure access solutions is the foundation of our business. Our product portfolio is driven by market and technological trends based on feedback from our customers. Therefore, we must announce our Ilco Q90, Saflok QuantumII and Saflok QuantumIII electronic lock products will no longer be offered for retrofit or new construction projects

Saflok QuantumIV offers seamless transition

If you currently have Ilco Q90, Saflok QuantumII or Saflok QuantumIII this upgrade and migration plan is designed to provide you with a simple, seamless transition.
