

Product Information

Cencon Keypad Inverted (KI) Product Discontinuation

Classification: External
and internal

November, 2023

Information for Customer Notice

To simplify ordering for our customers, we are discontinuing the Cencon KI (keypad inverted) dial and keypad model. Units will be available until March 30, 2024, with final shipments by May 31, 2024.

The discontinuation affects only the Cencon KI (keypad inverted) model.

The [Cencon ATM Cash Vault Security System](#) from dormakaba is the leading cost-effective solution for today's most serious security challenges. The Cencon KU (keypad up) and Cencon KD (keypad down) dial and keypad configurations are available to meet your customer's needs.
