

## T300 Series Grade 3 Tubular Locksets

T (Troy)

E (Essen)

V (Von)

ER (Essen R)

310T (Passage)

T340E (Privacy)

### Applications

dormakaba's series of Grade 3 tubular locks are especially suited for requirements of guest rooms and suites, apartments, condominiums, and senior living facilities.

### Features

T300 series locks feature lever designs that compliment full bodied latch, mortise and panic device locks in the Saffire portfolio. Easy to install in both wood or hollow metal doors with ANSI/BHMA A156.115 preparations for bored locks (no through-bolting). Non-handed design.

### Finishes
