

Flush Pulls, Cavity Sliders and Edge Pulls

Sleek, recessed design

When the need for door hardware on sliding doors arises, dormakaba's range of flush pulls, and cavity sliding door locks are the perfect solution.

Made from 316 grade satin stainless steel, they are available in a range of different designs. Our modern contemporary flush pulls and cavity sliding door locks are designed to suit Australian aesthetic requirements.

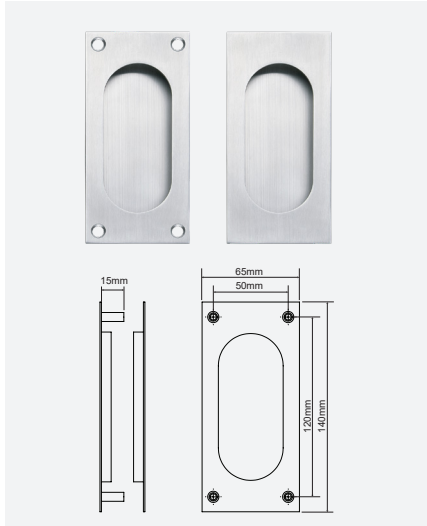

Suitable for internal sliding doors in commercial and residential applications.

Available in a satin stainless steel as standard, they are also available in polished stainless steel and other special finishes upon request.
