

QET100/200/300 and QRT300

Exit trims

Consistent styling for complete solutions

Complete your exit device solution with coordinated trims designed to work with QED100, QED200, and QED300 exit devices. Our trim collections offer even more customization options to fit a wider range of applications. And we don't just match aesthetics—our trims provide the same quality and reliability you expect from dormakaba.

Versatility and security

Our exit trims give you more versatility to fit a wider range of applications. And each trim product is backed by dormakaba — the name you can trust with your security.
