

# Marketing Bulletin

**CATEGORY:** Software

**PRODUCT:** Cencon System 2000

**BULLETIN NUMBER:** MB009

**APPLICATION:** Cencon System 2000 Software Version 1.5.2 for PCI

**DATE:** 10/14/03

## **Kaba Mas is pleased to announce the latest Cencon software, version 1.5.2 for PCI, allowing customers to use newer, faster technology.**

Cencon 1.5.2 is compatible with the following Microsoft operating systems:

- Windows XP Professional
- Windows 2000 Professional
- Windows 98 SE

The Cencon 1.5.2 PCI version requires the new Cencon PCI adapter card (P/N 202183), which uses a PCI slot found in personal computers. The general ease of use for Cencon 1.5.2 has also been enhanced.

### **FOR NEW CENCON CUSTOMERS:**

- Cencon 1.5.2 for PCI Implementation Package      P/N 201289      list price \$7800  
Includes: 2-day training, software CD w/ PDF manual, PCI adapter card, key reader, 12 Smart Keys, Quick Reference Cards

### **FOR EXISTING CENCON CUSTOMERS:**

- Cencon 1.5.2 for PCI, software only package      P/N 201130      list price \$750
- PCI-version, adapter card      P/N 202183      list price \$1050

---

## **CenTran 1.5.2 for PCI is also available.**

CenTran allows a customer's third-party custom software to interface with their Cencon files, giving the ability to perform basic functions via remote technology.

- CenTran 1.5.2 for PCI, software only package      P/N 201131      list price \$1200

---

For questions about Cencon or CenTran, please contact your local Kaba Mas sales representative. Additional customer information may be required at time of purchase. **When upgrading your software, we highly recommend that you contact Kaba Mas Customer Service at 1 (800) 950-4715.**
