SOLID-810 Lamination Module
for high quality credentials

Advantages at a glance

- Direct heating lamination
- Patch laminate: 0.6 mil & 1.0 mil (clear or holographic)
- Produces up to 180 cards/hour
- Seamless infrared communication with the SOLID-810 printer
- Compatible with single- and dual-sided laminates
- Holographic security support for anti-counterfeit protection
- Compact design
- Fully compatible with the IDP SOLID-810 Retransfer Printer
- Ideal for high-security card programs, including:
  - Corporate ID
  - Corporate Access Cards
- Other Issuance or ID Cards

Upgrade your credential issuance to a new standard of durability, security, and performance with the dormakaba SOLID-810 Lamination Module. Designed specifically to integrate with the SOLID-810 card printer, this powerful add-on transforms everyday card production into a high-output, high-security credentialing solution—ideal for government, financial, and enterprise environments.

Built with advanced direct heating lamination technology, the SOLID-810 Lamination Module supports both 0.6 mil and 1.0 mil laminates, it significantly extends card lifespan while delivering a polished, professional finish.

Speed and security are at the core of the SOLID-810's design. Production speeds up to 180 laminated cards per hour without compromising quality. Support for holographic security films provides a strong visual deterrent against counterfeiting and unauthorized duplication.

Despite its advanced capabilities, the SOLID-810 Lamination Module maintains a compact footprint and rugged construction, making it ideal for space-conscious environments and high-volume operations alike.

Factsheet

Specifications

Lamination type	Direct heating
Film types	Clear and holographic
Film thickness	0.6 mil, 1.0 mil
Lamination speed	Max. 20 sec/card (180 cards/hour)
Max combined speed	51 sec/card with YMCKK & Laminate (71 cph)
Interface	Infrared communication with SOLID-810
Status display	LED Indicator
Dimensions (wxdxh)	9.4" x 8.8" x 10.2" (240 x 224 x 260 mm)
Weight	13.7 lbs / 6.2 kg
Supported films	IDP Clear & Secure Globe 1.0 mil Films
